

Drama week

This week we have been visiting different groups and different activities who are preparing to perform to the school and parents.

One of the events we visited were the children who are going to perform in the main part of the story (Hans Anderson). They are going to perform on Thursday.

After that we went to the year 4 and year 3 to see what they were doing. The thing that they were doing was designing the wings of the ugly duckling.

When we arrived at the ICT room the children were doing a power point about the famous author Hans Anderson.

In conclusion, we loved the way everybody is using teamwork to get this huge task done.
